Upon termination or expiry, eligibility for internal competitions is discontinued unless, prior to accepting the contract, the employee had a pre-existing, uninterrupted employment relationship with the GNL public service. In this case, the contracted employee is granted eligibility for internal competitions for a period of two (2) years following termination or expiry of the contract.

Individuals with "lay-off" status can apply for internal competitions for a period of two (2) years following date of notice.

Eligibility for internal competitions is immediately discontinued for applicants who sever the employment relationship with GNL. This includes eligibility for any ongoing internal competitions for which an application has already been submitted.

Employees of external vendors providing contracted services to Government are not eligible for internal competitions.
