### CONTEXT:

Service NL is a diverse department acting as a single access point for many of the licensing, permitting, inspecting, and regulating functions within government. Service NL is comprised of two branches delivering a wide range of quality programs and services to protect the health and safety of Newfoundlanders and Labradorians; regulate and enforce workplace safety and health practices with initiatives that protect and inform the province's workforce; and regulation and information to protect the interests of consumers in a wide range financial activities taking place throughout the province. With such a broad scope of functions, Service NL offers a vast array of dynamic employment opportunities that focus on serving and protecting the people of Newfoundland and Labrador.

### DUTIES:

The incumbent is responsible for the coordination and performance of site inspections and initiation of corrective action on electrical installations in residential, commercial and industrial facilities; and provides information to electricians, contractors and the general public respecting electrical installations and compliance with legislation including Public Safety Act and Regulations, Buildings Accessibility Act and Regulations, Canadian Electrical Code, National Building Code, and National Fire Code. The incumbent performs building accessibility inspections on commercial buildings as well as inspections on new and existing nursing homes, personal care homes, child day care centres, group homes and alternate family care homes to ensure compliance with electrical, building and fire life safety codes, standards and departmental policies; is responsible for the processing of applications for registration of electricians and contractors; conducts investigations, gathers evidence and prepares detailed documentation to support the Crown's position for litigation in cases of non-compliance and appears as a Crown witness when requested; prepares daily electronic inspection reports using computer software applications; and performs other related duties as required.

### **SCREENING CRITERIA:**

1. Completion of a Red Seal Interprovincial Journeyperson Electrical Certificate (Construction).
2. Electrical construction experience.
3. Experience conducting electrical inspections (asset).
4. Experience conducting investigations for non-compliance (asset).

### **ASSESSMENT CRITERIA:**

1. Knowledge of relevant codes (Canadian Electrical Code, National Building Code, and National Fire Code).
2. Knowledge of the *Public Safety Act*, *Building Accessibility Act* and Regulations (asset).
3. Proficiency with computer applications.
4. Electrical inspection skills.
5. Ability to analyze.
6. Ability to communicate effectively (verbal).
7. Ability to manage time and tasks.
8. Ability to work independently.
9. Initiative.
10. Professionalism.

### **CONDITIONS OF OFFER:**

1. Proof of Red Seal Interprovincial Journeyperson's Electrical Certificate (Construction).
2. Proof of valid Class 5 Driver's license.

### **CONDITIONS OF ACCEPTANCE:**

1. Willing to accept overnight travel (significant).
2. Willingness to travel to remote locations.
3. Willing to accept overtime (occasional).
4. Acknowledges the requirement for performing work outside.
5. Acknowledges the requirement for travel by small aircraft, boat, ATV or snowmobile.

### **INFORMATION FOR APPLICANTS:**

1. Location of position may be negotiated upon job offer for either Happy Valley-Goose Bay or Labrador City locations.

For more information about this opportunity please call Ken Russell at (709) 896-5471.

- This position is considered a "Position of Trust" and therefore, a job offer may be subject to a satisfactory security check.
- The Government of Newfoundland and Labrador values diversity in the work place and is an equal opportunity employer.
- Preference will be given to applicants who are legally entitled to work in Canada.
- Applications should be received before the close of business on the closing date - late applications with explanation may be accepted.
- It is the responsibility of the applicant to submit an application that demonstrates the required merit criteria. Applications that do not clearly demonstrate the required criteria will be screened-out.
- Applications must contain accurate contact information, including mailing address, email address and phone number.
- All information submitted as part of an application may be subject to verification.

- This competition may be used to fill future similar vacancies with the Government of Newfoundland and Labrador.
