

Public Employment Opportunity

Regional Veterinarian (Locum)

Referral Number: FLR.17.18.R0569
Employment Type: 1 Temporary Position
Division: Animal Health Division
Department: Department of Fisheries and Land Resources
Position Group: NAPE General Service
Location: St. John's
Closing Date: Open Until Filled
Salary: \$43.25 - \$51.12 per hour (CG-46)

Benefits: http://www.exec.gov.nl.ca/exec/hrs/onboarding/employee_handbook.pdf

CONTEXT:

The Department of Fisheries and Land Resources promotes the development of the Province's fishing and aquaculture industries to ensure an economically viable, internationally competitive, and ecologically sustainable fishery. The Department also develops the policies and programs to support the forestry, including management of forest resources and continued development of competitive and sustainable primary and value-added agriculture and agrifoods industry. The department is also responsible for fish and wildlife enforcement and manages wildlife resources and the associated ecological, economic and social benefits in addition to the protection and preservation of species at risk. Additionally, the Department also manages and allocates provincial Crown lands in a responsible manner for the continuous social and economic benefit for residents of Newfoundland and Labrador.

DUTIES:

This position involves professional work in disease prevention and control within a designated region of the province. The primary responsibility is to supply routine and emergency veterinary service to livestock producers in the region in cooperation with other Regional Veterinarians. Other duties include involvement in disease surveillance or control programs, provincial meat inspection program, and professional witness in cruelty to animal investigations.

SCREENING CRITERIA:

1. Doctor of Veterinary Medicine (Individuals nearing completion of their program are encouraged to apply)
2. Experience in veterinary medicine in farm animals and animal husbandry practices

ASSESSMENT CRITERIA:

1. Knowledge of veterinary medicine in farm animals and animal husbandry practices
2. Knowledge of meat hygiene practices in an abattoir
3. Knowledge of legislation controlling cruelty to animals (asset)
4. Diagnostic skills
5. Investigative skills
6. Ability to communicate effectively (verbal)

7. Ability to work independently
8. Ability to work in a team
9. Relationship building

CONDITIONS OF ACCEPTANCE:

1. Must be willing to provide proof of license to practice veterinary medicine in Newfoundland and Labrador.
2. Willing to accept rotational on call work.
3. Willing to accept travel within the Province (occasional)

INFORMATION FOR APPLICANTS:
