Job Information

DUTIES: Responsible for a variety of financial accounting work on a provincial basis using web-based business solutions. Work involves planning, overseeing, directing and performing complex accounting work. Provides guidance on related financial functions, including billing, cash receipts, and disbursements at the campus level. Reviews and processes source documents for billing, payment, and account reconciliation. Maintains ledgers of original entry and prepares reports for management as needed. Interprets and applies College Financial Policies and Procedures and federal HST regulations. Establishes and maintains effective working relationships with government and college officials, regulatory agencies, suppliers, vendors, customers and the general public. Other related duties as assigned.

QUALIFICATIONS: A sound knowledge of accounting principles and practices supplemented by knowledge of accounts receivable procedures, accounts payables procedures, cash reconciliation procedures, government tax regulations, and records management. A strong knowledge of computerized accounting and other software applications, including Microsoft Office Suite is required; previous experience directly in an Accounts Payable or Accounts Receivable department in a medium to large organization would be an asset. Candidates must demonstrate good analytical, organizational and communication skills, good judgement, and the ability to establish and maintain effective working relationships. A minimum of a two year Business Diploma is required. Other combinations of related experience and training in financial accounting may be considered.
