College of the North Atlantic – Qatar
The professional and personal experience of a lifetime!

Your dream

Make your dream of living and working abroad a reality! Join our team of Canadians at College of the North Atlantic's world class, post-secondary campus in the State of Qatar, and enjoy rewarding experiences teaching students from a variety of nationalities and cultures.

College of the North Atlantic – Qatar (CNA-Q), is Qatar's premier technical college, offering over 30 diploma programs through student-centered learning, using world-class training facilities. Since opening in 2002, CNA-Q has over 5,000 graduates who are proudly contributing to Qatar's knowledge-based economy and making the [Qatar National Vision 2030](#) a reality.

Your commitment

Reporting to the Dean of Health Sciences, the instructor will be responsible for the development, delivery and evaluation of a broad range of courses within the Dental Hygienist and other Health Science programs. S/he will evaluate student progress and manage the resources of the learning environment. The instructor will liaise with industry and other educational institutions; participate in industry advisory committees and coordinate, manage and control projects within the specified program area. Instructors will keep course portfolio documents required for accreditation processes and engage in instructional development/improvement plans. All employees are expected to contribute to professional and community life within the College and beyond.

Your qualifications

A Diploma or Degree in Dental Hygiene from an accredited institution and eligibility for membership in an appropriate Canadian professional association is required. A minimum of five years recent related work experience and a thorough knowledge of Dental Hygienist roles and duties are required. A Bachelor of Education (Secondary/Post-Secondary) or other relevant degree, and teaching experience, preferably at a post-secondary level, would be a definite asset; expertise in curriculum development is desirable. Knowledge and understanding of a variety of delivery and student success strategies is required. Candidates must also have knowledge of current teaching and learning methodologies and an ability to meet the needs of a diverse student population. Strong computer skills and knowledge of the appropriate use and integration of technology in the teaching and learning process are also required. Candidates must demonstrate exemplary communication and interpersonal skills and expert fluency in English. Effective problem solving skills, an ability to work in a team and learner centered environment, and the ability to develop effective working relationships across all levels of the organization are also required. Intercultural competence including intercultural sensitivity and adaptability, and the ability to conduct

oneself appropriately and effectively in another culture, are essential. Knowledge of the CNA system and its programs is a definite asset.

Your move
