

## **Instructor – Automotive Service Technician – Advanced Program**

Location: Prince Philip Drive Campus – St. John’s

Job Opening ID: 10580

Temporary, Full- time

Commencing: August 27, 2019 to October 25, 2019

Deadline to Apply: July 21, 2019

### **PUBLIC POSTING**

**DUTIES:** The primary assignment of the successful candidate will be to instruct students, facilitate learning, and evaluate student progress by planning, organizing, and managing learning activities and resources in both classroom and shop settings. The instructor will incorporate their own teaching style to existing lesson plans by preparing and implementing various instructional strategies, techniques, and learning models to achieve specified learning outcomes and meet course objectives; establish student performance objectives and evaluation methods and meet with students regularly to gauge and evaluate progress and identify and resolve problem areas in teaching and learning; communicate effectively at a level appropriate to the ability of students and support an emotionally safe learning environment that is conducive to learning by maintaining appropriate classroom discipline following College policies and procedures; and actively participate in and contribute to accreditation activities to ensure the program is of the highest standard. The program will instruct students to perform preventative maintenance, diagnose faulty operations, and repair automotive vehicles and light trucks by industry standard practices such as adjusting, testing and repairing engines, steering systems, braking systems, drive trains, vehicle suspensions, electrical systems, air conditioning systems, and performing wheel alignments. You will be expected to practice and teach industrial based safety standards and to ensure that students are fully aware of the safety challenges and standards prevalent in a discipline, profession and workplace setting. As the instructor, you will be expected to develop curriculum and training materials in accordance with the plan of training and leading industry standards.

For additional information on the Automotive Service Technician Plan of Training, please visit the following website <http://www.aesl.gov.nl.ca/app/plans.html>.

**QUALIFICATIONS:** The successful candidate must be able to demonstrate knowledge of the subject matter. An understanding of methods used to teach course concepts and classroom management is also required. Well-developed communication skills, analytical, conflict resolution, and organizational skills, as well as the ability to work independently and as part of a collaborative team while establishing and maintaining effective working relationships in a teaching environment are essential. Candidates must have strong commitments to student success strategies and initiatives. The required knowledge and skills would have been acquired through the completion of Interprovincial Journeyman Certification in Automotive Service Technician with a minimum of six years combined apprenticeship training and recent related trade specific industry experience. A Pre-employment Certificate, Bachelor of Education (Secondary/Post Secondary) Degree, teacher training, experience teaching at the post-secondary level, and basic computer literacy skills are considered assets.

**SALARY INFORMATION:** Commensurate with qualifications and experience in accordance with the College of the North Atlantic Faculty Collective Agreement.

College of the North Atlantic is an Equal Opportunity Employer.

The successful candidate will be required to provide a recent Certificate of Conduct.

Please apply on line complete with resume at [www.cna.nl.ca](http://www.cna.nl.ca). Names of three professional references will be required as part of the interview process.

Candidates must clearly demonstrate in their resume that they meet all of the required qualifications. Failure to do so may result in a candidate being screened out of the competition.
