

## **Instructor- Transition Mathematics and Physics**

Location: Happy Valley - Goose Bay Campus

Job Opening ID: 11135

Full-Time, Temporary

Commencing: January 2, 2020

Deadline to Apply: Open until filled

### **PUBLIC POSTING**

**DUTIES:** As part of the team providing instruction to students at Happy Valley Goose Bay Campus, the successful candidate will be responsible for instructing Transition Mathematics and Physics courses to students enrolled in a variety of college programs. In addition to planning and delivering course objectives, the incumbent will be responsible for evaluating student progress; organizing and managing instructional materials and the learning environment; will provide academic advice for learners about their programs and courses; and will perform other duties consistent with maintaining quality learner-centered instruction related duties as required.

**QUALIFICATIONS:** The successful candidate must possess extensive knowledge of mathematics and physics as well as current teaching and learning methods. Well -developed communication, facilitation, analytical, conflict resolution, organizational and classroom management skills combined with the ability to work independently while establishing and maintaining effective working relationships is required. The incumbent must demonstrate a student-centered approach to teaching and a commitment to student success strategies and initiatives. These qualifications would normally have been acquired through completion of a Bachelor of Arts or Science Degree with a minor or major in Mathematics and Physics. A Bachelor of Education Degree (Secondary or Post-Secondary) and recent, relevant work experience and previous experience teaching adults may be considered assets.

**SALARY:** Commensurate with qualifications and experience in accordance with College of the North Atlantic Faculty Collective Agreement.

College of the North Atlantic is an Equal Opportunity Employer.

The successful candidate will be required to provide a recent Certificate of Conduct.

Please apply on line complete with resume at [www.cna.nl.ca](http://www.cna.nl.ca). Names of three professional references will be required as part of the interview process.

Candidates must clearly demonstrate in their resume that they meet all of the required qualifications. Failure to do so may result in a candidate being screened out of the competition.
